### Information for members

#### The right type of cover for you

We encourage you to take this opportunity to review your super insurance cover.

As your circumstances change, you may need more, or less, cover. For example, an expanding family or a reduction in personal debt may differently influence your choice in the type and amount of cover you have.

The type and amount of insurance cover that's right for you depends on your personal, family and financial circumstances, as well as your income and lifestyle. And these factors can change – that's why a regular review is so important.

#### Important Check
