## TARGET MARKET DETERMINATION

### Target Market Determination

This Target Market Determination (TMD) describes the class of consumers that comprise the target market for these products and matters relevant to the distribution and review of these products. This document does not form part of the Product Disclosure Statement (PDS) for any of the products and isn't intended to be a summary of the features or terms of the products. This document does not take into account any person's individual objectives, financial situation or needs. It's recommended that consumers read the PDS before making any decision regarding any of the products.

Criteria	Description
<b>Product Particulars</b>	
Product Name	Plum Corporate Plans (APIR code: NUL2390AU) Plum Personal Plan (APIR code: NUL8518AU)
Issuer	NULIS Nominees (Australia) Limited ABN 80 008 515 633 AFSL 236465 (referred to as 'we', 'us' or 'our')
Superannuation fund	MLC Super Fund 70 732 426 024
Issue date	1 October 2024
Version	5
<b>Section 1: Target Market</b>	
Product type	The products covered by this document are superannuation master trust products providing accumulation benefits. Superannuation refers to a product that supports the accumulation of savings, through the receipt of contributions and investment earnings, with the objective of providing the consumer with a benefit at the end of their working life, to support their financial needs in retirement.
Class of consumer	An individual is in the target market for these products if they wish to hold a superannuation account for the primary purpose of either: <ul style="list-style-type: none"><li>• saving for retirement by:<ul style="list-style-type: none"><li>• receiving superannuation contributions from their employer or spouse,</li><li>• making personal contributions to superannuation,</li><li>• investing an existing superannuation entitlement, which they wish to transfer, and/or</li><li>• making an active investment decision (which may or may not be with the aid of a financial adviser) regarding how their superannuation is invested.</li></ul></li><li>• having insurance in super paid by their employer.</li></ul>
Key product attributes	The consumer is in the target market if they want a superannuation product that offers one or more of the following features or benefits: <ul style="list-style-type: none"><li>• access to a concessional tax environment in which to invest their money,</li><li>• access to a range of investment options to choose from to invest according to their own needs and objectives,</li><li>• access to life and disability insurance with standard terms and conditions (subject to conditions set out in the PDS),</li><li>• access to website reporting, tools and calculators to help them manage and keep track of their superannuation benefits.</li></ul>

Investment offering	<p>These products offer an investment menu which is designed to cater to consumers' varying objectives, financial situations and needs.</p> <p>The consumer is in the target market for these products if they wish to invest in one or more investment options in any of the following categories:</p> <ul style="list-style-type: none"> <li>• Multi-asset investment options (Ready-made portfolios), designed to meet different client needs and risk profiles,</li> <li>• Single asset class investment options (Build-your-own portfolio), designed for consumers wanting to take greater control of their portfolio,</li> <li>• the MLC MySuper investment option.</li> </ul> <p>The consumer isn't in the target market if they wish to select assets not on our investment menu.</p> <p>The types of consumers for whom the different categories of investment options offered by these products are intended, are broadly described below. An individual consumer, however, should have regard to the information provided in the PDS for each product before making an investment selection. The consumer may choose to invest in multiple options (with different characteristics) to meet their investment needs.</p>			
	<b>Investment type</b>	<b>Consumer type</b>	<b>Minimum suggested time to invest</b>	<b>Standard Risk Measure*</b>
<b>Multi-asset (Ready-made portfolios)</b>				
Simple Choice	A consumer wanting to invest in a portfolio that provides diversification across multiple asset classes and managers and has an 'active' investment approach with returns largely driven by the market returns from asset allocation decisions, within defined ranges, to achieve return objectives within defined risk bands.	3-7 years	Low to medium - High	
Low cost	A consumer wanting access to a lower cost diversified portfolio that invests across multiple asset classes, using specialist index and index enhanced managers that rely on the market for returns but may also adjust asset allocation, within defined ranges, to achieve return objectives within defined risk bands.	5-7 years	High	
Flexible	A consumer wanting to invest in a diversified portfolio that focuses on achieving above-inflation returns and managing the risk of significant negative returns, where the asset allocation could change significantly over time in response to market conditions in order to manage risk and achieve returns.	3-7 years	Medium - High	
Socially responsible	A consumer wanting to invest in a diversified portfolio which prioritises various moral or ethical issues and values over other information that may be relevant to investment outcomes.	7 years	High	
<b>Single asset class (Build-your-own portfolio)</b>				
Cash & Fixed Interest	<p>Cash: A consumer seeking a low risk investment option where the returns are aligned with the RBA cash rate, or who may also have high liquidity needs.</p> <p>Fixed Interest: A consumer seeking an investment return that's higher than cash over the medium term, which may have some variation (including negative returns) but has more stable return characteristics than shares.</p>	<p>Cash: No minimum</p> <p>Fixed Interest: 3 years</p>	<p>Cash: Very low</p> <p>Fixed Interest: Medium</p>	
Property	A consumer seeking access to a professionally constructed portfolio of property trusts and property-related companies listed on a securities exchange (known as listed property securities, Real Estate Investment Trusts, or REITs), and may include unlisted trusts. Investments may include retail, commercial, industrial, and residential properties in Australia and around the world.	10 years	Very high	
Australian shares	A consumer seeking a professionally constructed portfolio of investments primarily in companies listed on the Australian Securities Exchange (and other regulated exchanges) that provide returns from dividend income and changes in share prices.	10 years	Very high	

	<table border="1"> <tr> <td data-bbox="336 309 499 454">Global shares</td> <td data-bbox="499 309 1157 454">A consumer seeking access to a professionally constructed portfolio of investments in companies listed on securities exchanges around the world that provide returns from dividend income, changes in share prices, and movements in exchange rates.</td> <td data-bbox="1157 309 1332 454">10 years</td> <td data-bbox="1332 309 1508 454">Very high</td> </tr> </table>	Global shares	A consumer seeking access to a professionally constructed portfolio of investments in companies listed on securities exchanges around the world that provide returns from dividend income, changes in share prices, and movements in exchange rates.	10 years	Very high

	<table border="1"> <tr> <td data-bbox="336 508 499 616">MySuper</td> <td data-bbox="499 508 1157 616">A consumer seeking an investment, that changes with them throughout their working life, without actively choosing their investments, and that has a large portion of growth assets invested for a longer term.</td> <td data-bbox="1157 508 1332 616">7 years</td> <td data-bbox="1332 508 1508 616">High</td> </tr> </table>	MySuper	A consumer seeking an investment, that changes with them throughout their working life, without actively choosing their investments, and that has a large portion of growth assets invested for a longer term.	7 years	High
MySuper	A consumer seeking an investment, that changes with them throughout their working life, without actively choosing their investments, and that has a large portion of growth assets invested for a longer term.	7 years	High		
	<p>*Standard Risk Measure (SRM) is based on industry guidance and is the estimated number of negative annual returns over any 20-year period. Information on how the SRM is calculated is available at <a href="http://plum.com.au/srm">plum.com.au/srm</a></p>				
<p>Insurance offering</p>	<p>The consumer is in the target market for these product if they want the convenience of insurance cover through their super. Insurance cover can be cancelled at any time.</p> <p>Consumers who have joined <b>via their employer</b> may be eligible for:</p> <ul style="list-style-type: none"> <li>• Automatic cover – depending on their employer arrangement this will be one or more of the following: Death including Terminal Illness (TI) benefit, Total and Permanent Disablement (TPD) and Income Protection (IP) cover. IP cover for the purposes of this TMD also includes: Salary Continuance Insurance or Total and Temporary Disablement.</li> <li>• Supplementary cover - depending on their employer arrangement, consumers may have the option to apply for additional Death (including TI), TPD and/or IP cover to supplement their Automatic cover. Supplementary cover is subject to underwriting.</li> <li>• Transferred cover – when they leave their employer and transfer to a personal account the consumer’s cover will be transferred to a new account as a fixed amount including any premium loadings, restrictions or exclusions that previously applied. IP cover will be cancelled and consumers may opt to reinstate cover without underwriting subject to the Transferred cover offering. If the consumer’s super account was only created for the purpose of having insurance in super, their insurance will be cancelled.</li> </ul> <p>Consumers who hold a personal account including spouse members who have joined <b>via a direct application</b> may be eligible for:</p> <ul style="list-style-type: none"> <li>• Voluntary cover – option to apply for Death (including TI), TPD and/or IP cover subject to underwriting.</li> </ul> <p>Premiums are calculated based on various factors including but not limited to: gender, age and occupation. Where cover is underwritten, medical history and other lifestyle factors may also be considered. Consumers should be aware that restrictions, loadings or exclusions as determined by the insurer may apply following this assessment.</p> <p>Premiums are deducted from the consumer’s account.</p> <p>Insurance is an optional product feature of these products. The types of consumers for whom the different types of insurance are intended, are broadly described below.</p> <p>An individual consumer, however, should have regard to the information provided in the relevant Insurance Guide for this product.</p> <table border="1" style="width: 100%;"> <tr> <th colspan="2" data-bbox="336 1581 1508 1621" style="background-color: #333; color: white;">Automatic cover</th> </tr> <tr> <td data-bbox="336 1621 566 2045"> <p>This cover is suitable for consumers who:</p> </td> <td data-bbox="566 1621 1508 2045"> <ul style="list-style-type: none"> <li>• meet the age limits and the eligibility criteria stated in their Insurance Guide, as negotiated by their employer,</li> <li>• seek to protect their financial needs in the event of death, diagnosis of terminal illness or TPD (if such cover is part of the employer plan) via a lump sum payment,</li> <li>• seek to protect their financial needs in the event of temporary disablement via regular monthly benefits that replace a portion of their income (if such cover is part of the employer plan),</li> <li>• have a tolerance for the deduction of premiums that may reduce (or erode) their account balance, in circumstances where their employer has not agreed to pay the premium on their behalf,</li> <li>• for TPD cover, meet any required employment status (or seeking to meet any required employment status) outlined in the relevant plan’s Insurance Guide. If the consumer does not meet the required employment status at the date of disability a more restrictive TPD definition may apply,</li> </ul> </td> </tr> </table>	Automatic cover		<p>This cover is suitable for consumers who:</p>	<ul style="list-style-type: none"> <li>• meet the age limits and the eligibility criteria stated in their Insurance Guide, as negotiated by their employer,</li> <li>• seek to protect their financial needs in the event of death, diagnosis of terminal illness or TPD (if such cover is part of the employer plan) via a lump sum payment,</li> <li>• seek to protect their financial needs in the event of temporary disablement via regular monthly benefits that replace a portion of their income (if such cover is part of the employer plan),</li> <li>• have a tolerance for the deduction of premiums that may reduce (or erode) their account balance, in circumstances where their employer has not agreed to pay the premium on their behalf,</li> <li>• for TPD cover, meet any required employment status (or seeking to meet any required employment status) outlined in the relevant plan’s Insurance Guide. If the consumer does not meet the required employment status at the date of disability a more restrictive TPD definition may apply,</li> </ul>
Automatic cover					
<p>This cover is suitable for consumers who:</p>	<ul style="list-style-type: none"> <li>• meet the age limits and the eligibility criteria stated in their Insurance Guide, as negotiated by their employer,</li> <li>• seek to protect their financial needs in the event of death, diagnosis of terminal illness or TPD (if such cover is part of the employer plan) via a lump sum payment,</li> <li>• seek to protect their financial needs in the event of temporary disablement via regular monthly benefits that replace a portion of their income (if such cover is part of the employer plan),</li> <li>• have a tolerance for the deduction of premiums that may reduce (or erode) their account balance, in circumstances where their employer has not agreed to pay the premium on their behalf,</li> <li>• for TPD cover, meet any required employment status (or seeking to meet any required employment status) outlined in the relevant plan’s Insurance Guide. If the consumer does not meet the required employment status at the date of disability a more restrictive TPD definition may apply,</li> </ul>				

	<ul style="list-style-type: none"> <li>• seek cover without the need to provide any health evidence, and/or</li> <li>• seek the option to retain any Death, TPD and/or IP cover on leaving their employment without providing health evidence.</li> </ul>
This cover is not suitable for consumers who:	<ul style="list-style-type: none"> <li>• do not have a tolerance for insurance premiums that may reduce (or erode) their account balance (in circumstances where their employer has not agreed to pay the insurance premiums on their behalf),</li> <li>• for TPD cover are not seeking to meet any required employment status outlined in their Insurance Guide but are seeking an unrestricted TPD definition,</li> <li>• are seeking cover for any benefit which is subject to any exclusions, or</li> <li>• are seeking IP or TPD cover without underwriting where such cover is not made available through the employer plan.</li> </ul>
Age limits and eligibility criteria for consumers:	<ul style="list-style-type: none"> <li>• at application for the cover is between the minimum** and maximum age,</li> <li>• is an Australian Resident,</li> <li>• is aged 25 or over**,</li> <li>• has an account balance of \$6,000 or over**, and</li> <li>• has an employer contribution paid to their account inside the defined time-period of being set-up and have a sufficient balance to pay for their premiums for this time-period.</li> </ul> <p>** Cover starts automatically when the consumer's account balance exceeds \$6,000 and they reach age 25 unless the employer pays for the insurance premium or the consumer opts to receive cover before then.</p>
Exclusions:	Other conditions and benefit exclusions may apply as disclosed in the consumer's Insurance Guide.
<b>Supplementary Cover</b>	
This cover is suitable for consumers who:	<ul style="list-style-type: none"> <li>• meet the age limits and the eligibility criteria outlined below,</li> <li>• seek to protect their financial needs in the event of death, diagnosis of a terminal illness or TPD via a lump sum payment,</li> <li>• seek to protect their financial needs in the event of temporary disablement via regular monthly benefits that replace a portion of their income (if part of the employer plan),</li> <li>• have a tolerance for insurance premiums that will further reduce (or erode) their retirement account balance,</li> <li>• are willing to undergo an assessment conducted by the insurer to obtain insurance cover, and are willing to accept restrictions, loadings or exclusions determined by the insurer following that assessment,</li> <li>• meet any required employment status (or seeking to meet any required employment status) outlined in the relevant plan's Insurance Guide for TPD and/or IP, if the consumer does not meet the required employment status at the date of disability a more restrictive definition may apply, and/or</li> <li>• for IP cover, are seeking a waiting period and benefit period available to them through the insurance offering in their plan.</li> </ul>
This cover is not suitable for consumers who:	<ul style="list-style-type: none"> <li>• seek a basic level of insurance cover,</li> <li>• are intending to take a leave of absence greater than that allowable under the terms of the Policy,</li> <li>• are seeking unrestricted definitions for TPD and/or IP but do not meet (and do not intend to meet) any required employment statuses,</li> <li>• for IP cover, are eligible to receive income from other sources that may reduce the benefit they would be entitled to receive under the insurance cover, or</li> <li>• are seeking cover for any benefit which would be subject to any conditions or benefit exclusions that may apply to the individual employer plan or following their application for cover.</li> </ul>
Age limits and eligibility criteria for consumers:	<ul style="list-style-type: none"> <li>• at application for the cover is between 15 years and the maximum,</li> <li>• holds Automatic cover, or</li> <li>• meets the employment criteria.</li> </ul>
Exclusions:	Other conditions and benefit exclusions may apply following any underwritten application for cover.
<b>Transferred Cover</b>	

<p>This cover is suitable for consumers who:</p>	<ul style="list-style-type: none"> <li>• meet the age limits and the eligibility criteria outlined below,</li> <li>• wish to continue to hold cover (as applicable) after being transferred to personal plan without the need to provide health evidence,</li> <li>• have a tolerance for the deduction of premiums that may reduce (or erode) their account balance,</li> <li>• seek to protect their financial needs in the event of death, diagnosis of terminal illness or TPD via a lump sum,</li> <li>• seek to protect their financial needs in the event of temporary disablement via regular monthly benefits that replace a portion of their income,</li> <li>• for Death and TPD cover, are willing to accept a cessation age of 65 (noting that, depending on the employer arrangement, the cessation age may differ in the previous employer plan),</li> <li>• for IP cover, are willing to accept a 90-day waiting period and 2-year benefit period (unless such cover being reinstated was Supplementary Cover in which case waiting and/or benefit periods may remain the same as those previously applied for in the employer plan),</li> <li>• understand that their premiums may no longer be paid by their employer and may be higher than the premiums they were charged in the employer plan,</li> <li>• for TPD cover, are in paid employment (or seeking to be in paid employment) noting that if the consumer has not been in paid employment at any time in the 16-month period prior to the date of claim, a more restrictive TPD definition may apply, and/or</li> <li>• for IP cover, are working at least 14 or 15 hours per week (depending on the employer plan) on a permanent or fixed term (of greater than 3 months) basis.</li> </ul>
<p>This cover is not suitable for consumers who:</p>	<ul style="list-style-type: none"> <li>• do not have a tolerance for insurance premiums that may reduce their account balance, noting that premium levels will generally increase when the consumer is transferred from the employer plan,</li> <li>• wish to maintain an insurance design where the level of cover automatically changes based on the consumer's age and/or salary,</li> <li>• for TPD cover, are unemployed or not seeking to be employed, and are seeking an unrestricted TPD definition,</li> <li>• for IP cover:             <ul style="list-style-type: none"> <li>• are not employed on a permanent or fixed term (of greater than 3 months) basis and working on average at least 14 or 15 hours per week (depending on the employer plan),</li> <li>• are eligible to receive income from other sources (such as another insurance policy or from their employer) in the event they suffer an illness or injury, noting that such income will reduce the benefit they may be entitled to receive under the insurance cover,</li> <li>• wish to be provided with benefits for a period greater than one year and intend to live outside of Australia or an Approved Country for greater than one year,</li> </ul> </li> <li>• intend to commence duty with the armed forces of any country (not including the Australian Army Reserve) and wish for their insurance cover to continue, or</li> <li>• are seeking cover for any benefit which is subject to any of the exclusions as outlined below.</li> </ul>
<p>Age limits and eligibility criteria for consumers:</p>	<ul style="list-style-type: none"> <li>• at application for the cover is between the age of 15 and 64 years,</li> <li>• is an Australian Resident,</li> <li>• did not cease employment with their employer due to illness or injury,</li> <li>• held insurance cover in their employer plan immediately before transferring from their employer plan,</li> <li>• are aged 25 years or over and have an account balance of \$6,000 or greater where cover under the consumer's previous employer plan was fully paid for by the consumer's employer, or has completed a form opting into cover,</li> <li>• were not entitled to or is not claiming a benefit under the insurance cover provided to them in their employer plan,</li> <li>• for IP cover:             <ul style="list-style-type: none"> <li>• have not transferred their cover to an individual policy with the insurer for the employer plan, opted out of cover or transferred their cover to a different IP policy, and</li> <li>• are employed in permanent full time, part-time or fixed term (of greater than 3 months) contract employment for 15 hours or more per week.</li> </ul> </li> </ul>
<p>Exclusions:</p>	<p>Generally for IP claims, no benefit will be payable where the disability or loss arises directly or indirectly from:</p>

	<ul style="list-style-type: none"> <li>• an intentional self-inflicted injury or attempted suicide (regardless of whether the claimant is sane or insane),</li> <li>• normal and uncomplicated pregnancy or childbirth,</li> <li>• war or warlike operations, or</li> <li>• service in the armed forces.</li> </ul> <p>In addition, IP benefit payments are limited to a one year period if a client is not continuously a resident in Australia or an Approved Country.</p> <p>Any exclusions that applied to the consumer's Supplementary Cover that has been transferred to the consumer's personal plan, may continue to apply.</p>
<b>Voluntary Cover</b>	
<p>This cover is suitable for consumers who:</p>	<ul style="list-style-type: none"> <li>• meet the age limits and the eligibility criteria outlined below,</li> <li>• seek insurance cover types and amounts that can be tailored to meet their individual needs or circumstances,</li> <li>• seek to protect their financial needs in the event of death, diagnosis of a terminal illness or TPD via a lump sum payment,</li> <li>• seek to protect their financial needs in the event of temporary disablement via regular monthly benefits that replace a portion of their income,</li> <li>• are willing to undergo an assessment conducted by the insurer to obtain insurance cover, and are willing to accept restrictions, loadings or exclusions determined by the insurer,</li> <li>• for TPD cover, are in paid employment (or seeking to be in paid employment) noting that if the consumer has not been in paid employment at any time in the 13-month period prior to the date of claim, a more restrictive TPD definition may apply, and/or</li> <li>• for IP cover, are working at least 15 hours per week on a permanent or fixed term (of greater than 3 months) basis, and are seeking a waiting period of 30 days, 60 days or 90 days**, and a benefit period of either two years, five years or to age 65.</li> </ul> <p>** A 180-day waiting period is also available for consumers who select a benefit period of five years or to age 65.</p>
<p>This cover is not suitable for consumers who:</p>	<ul style="list-style-type: none"> <li>• seek a basic level of insurance cover,</li> <li>• for TPD cover, are unemployed or not seeking to be employed, and are seeking an unrestricted TPD definition,</li> <li>• for IP cover, are not employed on a permanent or fixed term (of greater than 3 months) basis and working at least 15 hours per week,</li> <li>• for IP cover:             <ul style="list-style-type: none"> <li>• are eligible to receive income from other sources (such as another insurance policy or from their employer) in the event they suffer an illness or injury, noting that such income will reduce the benefit they may be entitled to receive under the insurance cover,</li> <li>• wish to be provided with benefits for a period greater than one year and intend to live outside of Australia or an Approved Country for greater than one year,</li> </ul> </li> <li>• are seeking cover for any benefit which is subject to any of the exclusions as outlined below, or</li> <li>• intend to commence duty with the armed forces of any country (not including the Australian Army Reserve) and wish for their insurance cover to continue.</li> </ul>
<p>Age limits and eligibility criteria for consumers:</p>	<ul style="list-style-type: none"> <li>• at application for the cover is between the age of 15 and 64 years,</li> <li>• is an Australian Resident, and</li> <li>• for IP Cover, consumers are employed in permanent full time, part-time or fixed term (of greater than 3 months) contract employment for 15 hours or more per week.</li> </ul>
<p>Exclusions:</p>	<p>For IP claims, no benefit will be payable where the disability or loss arises directly or indirectly from:</p> <ul style="list-style-type: none"> <li>• an intentional self-inflicted injury or attempted suicide (regardless of whether the claimant is sane or insane),</li> <li>• normal and uncomplicated pregnancy or childbirth,</li> <li>• war or warlike operations, or</li> <li>• service in the armed forces.</li> </ul> <p>In addition, IP benefit payments are limited to a one year period if a client is not continuously a resident in Australia or an Approved Country.</p>

## Target Market Determination

<b>Section 3: Review Frequency and Review Triggers</b>	
<b>Review frequency</b>	
Periodic Review	This TMD will be reviewed at least annually and will be updated as and when appropriate.
<b>Review triggers</b>	
Significant product change	We make a significant change to the key product attributes, terms or conditions.
Insurance offering	We identify a material change in the following metrics in relation to insurance held through the product: <ul style="list-style-type: none"><li>• size or demographics of the insured membership (including the proportion of insured members in the fund and impacts due to lapses and cancellations),</li><li>• the average claims handling time,</li><li>• the proportion of premiums returned to members as benefits, or</li><li>• the proportion of insurance claims being declined or withdrawn.</li></ul>
Significant breach	We commit a significant breach of a financial services law, where the breach relates to the design or distribution of the product.
Product performance	We make a determination that the applicable product is not promoting the financial interests of the members of the fund.
Significant dealings outside TMD	We identify significant dealings outside of the TMD.
Complaints from members or distributors	We receive a significant and unexpected number of complaints, in respect of one or more calendar quarters, in relation to the product design (including features, terms or conditions) or the manner in which the product is distributed.
Notification from ASIC	We receive a notification or engagement from ASIC raising serious concerns regarding the design or distribution of the product.
