

Choose to Keep Your Insurance Cover

Complete this form to keep your insurance cover if your super account becomes inactive.

We're required to cancel your insurance cover if your super account hasn't received a contribution or rollover for 16 consecutive months (called an 'inactive account').

Your insurance cover is subject to restrictions and conditions set out in the group insurance policy and may be cancelled in other circumstances. If your insurance cover is cancelled, and you would like to have insurance cover again, you would need to apply for cover and may need to provide personal, medical and employment information. Your application will need to be approved by the insurer.

For Salary Continuance Insurance (Income Protection) cover, benefits may not be payable if you are unemployed, or employed in certain employment types at the date of claim.

For more information, please refer to the relevant *Insurance Guide*.
