Step 2 - Elect to reinstate SCI cover

☐ I'm electing to reinstate SCI cover in the Plum Personal Plan.

By completing and signing this form, I understand that:

- I'm electing to have insurance, even if I'm under 25 and/or my super account balance is less than \$6,000. This choice will be applied to any Death-only, Death and TPD and SCI cover I'm eligible to continue in the Plum Personal Plan.
- SCI cover can only be reinstated with the default 90-day waiting period and a 2-year benefit period - unless I previously applied and was accepted for a different waiting period and/or benefit payment period in my employer plan. In that case, my waiting period and benefit payment period will be the same as what I had in my employer plan.
- I am electing to have any existing or future insurance cover maintained, even if my super account becomes inactive because it doesn't receive an amount such as a contribution or rollover for a continuous period of 16 months.
- I'll be notified if I don't have enough funds in my super account.
- I can request to cancel my insurance cover at any time.
- My insurance premiums will be deducted from my super account, backdated to the date my insurance was cancelled, and could be higher.
- The insurance is subject to eligibility requirements, terms, conditions, exclusions and limitations set out in the insurer's policy document. Contact us on **1300 55 7586** for a copy of the applicable group insurance policy.

By signing and submitting this application, you represent that the information you have provided is true and correct.
